AES E Library Audio Preservation and Access Overcoming

The preservation and dissemination of sound recordings are often considered as separate activities, supported by systems developed in silos. While many existing tools and standards for preservation and access are available, linking preservation activities and digital access presents a technical challenge.

Aan Star Wars Fanon FANDOM powered by Wikia

The Aan and the Tooins both descended from a master species, unknown to experts, that split genetically into frilled and non-frilled varieties. Their frills gave them great opportunities in a world with two distinctly unique races, and the Tooins, due to this lack of extremity, were cast down in Aantooinian society.
