The Four Kinds of Knowledge SimonStapleton com

This kind of knowledge is the most obvious. You know your name. You know that you know your name. Being consciously knowledgeable about something means that we re confident to apply that knowledge. At work, we re known as experts when we know we know something. Other people who don t know it (and know they don t know it see below) come to us because we can apply that knowledge with authority.

What kind of a belief is KNOWLEDGE.? To begin with it must be true. You can not know something that is false, that is not so. It must be true and you must claim to know it and it be true not by accident or coincidence but because there is evidence to support and enough to warrant or justify the claim to know.
