Simple steps to avoid plagiarism and improve scientific

Plagiarism can be defined simply as literary theft. Historically, it used to take place when one tried to steal other's work to gain recognition. In the recent times, plagiarism includes literary theft or misappropriation of intellectual property and the substantial unattributed textual copying of another's

work . Plagiarism encompasses either plagiarizing from others or republishing substantial parts of one's own work without citing the same, as separate new works.
